MEMORANDUM FOR: Administrative Officer, DCI
SUBJECT: Report of Lost Badge

25X1A

My Visitor-No Escort Badge No. [REDACTED] was lost on 27 May 1968. I first missed my badge on the morning of 28 May 1968. It could possibly have been lost when I put it into my vest pocket inside my suit coat in the South parking lot where I hold a special conference parking permit. In an effort to recover my badge I have reported it to Security. It is requested that a new badge be issued to me as soon as possible.
